COMING TO-DAY.

New Steamer "City of Pittsburgh" Will Pass Wheeling

THIS MORNING FOR PITTSBURG

Having Left Marietta Last Night—She Passed her Inspection Successfully, and Will Leave as Scheduled for New Orleans To-morrow Afternoon. She Will Receive a Royal Reception Along the River.

The new steamer "City of Pittsburgh," just completed at Marietta, was expected to pass Wheeling on her initial trip from Marietta, where she was built, to Pittsburgh, some time yesterday, and a large proportion of the public was watching and waiting for the whistling that would herald the new boat's arrival—but they were disappointed, for she did not put in her appearance.

A special dispatch to the Intelligencer from Marietta, received last night, stated that the Pittsburgh departed for Pittsburgh at 9 o'clock p. m. As she will make few stops during the night, she ought to reach this port early this morning, probably between 6 and 9 o'clock. She is to remain at this port a sufficient time to allow of an inspection by as many people as may congregate at the wharf for this purpose. No doubt there will be a large turn-out, as the boat is the first side-wheeler seen in these waters for several years, and is in addition said to be one of the finest steamers afloat in point of speed, furnishing, etc.

The Pittsburgh is to leave Pittsburgh to-morrow afternoon at 4 o'clock for New Orleans, and will clear Wheeling at 10 o'clock p. m. the same day. Several Wheeling people, it is said, will make the trip to New Orleans; more would have gone if the time for arranging the trip had been longer.

Left Purse in the Car.

Henry Heil, a roller employed in the Cambridge, O., tin mill, and whose home is at 141 Eighteenth street, lost his purse containing \$25 in a Baltimore & Ohio car Saturday evening, while coming to this city. The purse dropped on the car seat and Heil did not discover his loss until after he left the car and the train went by. The conductor was notified and he thought he noticed a man get off at West Alexander, whom he supposed picked up the purse. Yesterday Mr. Heil and Lieutenant Supler went out to West Alexander, and interviewed the suspect, but the conductor's supposition was not correct, as the man knew nothing of the purse.

..Second Sight..

When you feel that you have tried everything and everything fails. A daily occurrence is the surprise shown by the benefited patients at our office.

Do you have headache? Do your eyes water? Do they smart or burn? Does the water run together when reading? Feel as if a scum before the eyes? Do things appear double or mixed up? Have a desire to rub the eyes? Twitching? Does the light pain them? For any trouble of your eyes can suit us. During this month we devote much time to children's eyes. We make glasses at popular prices (one reason for our popularity)—make a careful examination free of charge. The best proof of our success is the number of recommendations from our old patients.
